## **Bag and Jewelry Training in Narangwadi**

Date: October 27, 2021

A Bag and Jewelry Training workshop was conducted in Narangwadi village on October 27, 2021. The workshop aimed to empower local women with skills in bag and jewelry making, fostering entrepreneurship and self-reliance within the community. Smita Nagrale, an experienced trainer in the field, led the workshop, providing valuable guidance and instruction to the participants.

During the training, women were taught various techniques and designs for crafting bags and jewelry items using locally available materials. Practical sessions allowed participants to hone their skills and experiment with different styles. Emphasis was also placed on quality control and marketability of the products.

The workshop was attended by enthusiastic women from Narangwadi village who showed keen interest in learning the craft. By the end of the training, participants had acquired new skills and expressed confidence in utilizing them to generate income for themselves and their families.

The Bag and Jewelry Training workshop proved to be a successful initiative in empowering women through skill development and promoting economic sustainability in Narangwadi village.

### **Paper Bag Training for Women in Bori Village**

Date: August 12 - August 15, 2022

Venue - Mahila Vikas kendra, Bori

Shri Sharadchandraji Pawar Senior College, in collaboration with Navjyot Mahila Vikas Sanstha, organized a Paper Bag Training program for women in Bori village from August 12 to August 15, 2022. Thirteen women from the village actively participated in the training sessions. Smita Mahajan, a representative from Navjyot Mahila Vikas Sanstha, facilitated the training, providing expertise and guidance to the participants.

During the training, women were taught the art of making eco-friendly paper bags. They were trained on various techniques, including cutting, folding, and pasting, to create aesthetically pleasing and durable paper bags. Additionally, the training emphasized the importance of environmental conservation and the role of using sustainable alternatives to plastic bags.

By the end of the program, all thirteen women had acquired new skills in paper bag making, enabling them to generate income and contribute to their households' finances. The initiative not only empowered the women economically but also promoted environmental sustainability within the community.
