### Sauch khadda/Soak Pit

#### Report on Shramdaan by NSS Students for Construction of Soak Pit and Drainage Way

Date: January 12, 2019

#### Introduction :

On January 12, 2019, NSS students from Shri Sharadchandraji Pawar College participated in a Shramdan initiative aimed at constructing a soak pit and drainage way in Sawalsur village. The project aimed to address waterlogging issues and improve sanitation infrastructure in the village.

#### Activities :

1. Site Assessment : Prior to the Shramdan activity, a site assessment was conducted to identify suitable locations for the construction of the soak pit and drainage way.
2. Preparation : NSS volunteers, under the guidance of faculty members, organized the necessary tools and materials required for construction.
3. Construction : NSS students actively participated in the construction work, digging trenches for the drainage way and excavating the area for the soak pit.
4. Teamwork : The construction activities were carried out collaboratively, with students working together to ensure efficient progress and adherence to safety protocols.
5. Community Participation: Villagers also joined the Shramdan initiative, contributing their labor and support towards the construction effort

**Outcome :****1. Improved Drainage :**

The construction of the soak pit and drainage way helped mitigate water logging issues in the village, especially during monsoon seasons.

**2. Enhanced Sanitation :**

The improved drainage infrastructure contributed to better sanitation conditions in the village, reducing the risk of waterborne diseases.

**3. Community Engagement :**

The Shramdan initiative fostered community participation and ownership, empowering villagers to take proactive steps towards addressing local challenges.

**4. Skill Development :**

NSS students gained practical experience in construction techniques and teamwork, enhancing their skills and fostering a spirit of service.

**Conclusion :**

The Shramdan initiative undertaken by NSS students for the construction of a soak pit and drainage way in Sawalsur village exemplifies their commitment to community development and social responsibility. Through collaborative efforts and community engagement, the project not only addressed immediate infrastructure needs but also promoted sustainable solutions for the benefit of the village community. Such initiatives exemplify the transformative impact of youth-led initiatives in bringing about positive change at the grassroots level.

### Cleanliness Drive

#### Report on Cleanliness Drive by NSS Students in Sawalsur Village

Date: January 7, 2019

#### Introduction :

On January 7, 2019, students from the National Service Scheme (NSS) at Shri Sharadchandraji Pawar College organized a cleanliness drive in Sawalsur village. The initiative aimed to promote cleanliness, hygiene, and community involvement in maintaining a clean environment.

#### Activities:

1. Preparation : Prior arrangements were made by NSS coordinators to gather necessary cleaning equipment such as brooms, garbage bags, and gloves.
2. Awareness Campaign : NSS volunteers conducted an awareness campaign to educate villagers about the importance of cleanliness and the adverse effects of littering on health and the environment.
3. Clean-up Efforts : Students, led by Mr. P.M. Shinde, actively participated in cleaning various areas of the village, including streets, public spaces, and water bodies.
4. Waste Segregation : Emphasis was placed on segregating waste into biodegradable and non-biodegradable categories to facilitate proper disposal and recycling.
5. Community Participation : Villagers joined hands with NSS students, demonstrating a collective effort towards achieving a cleaner environment.

#### Outcome :

1. Cleaner Environment: The cleanliness drive resulted in the removal of litter and debris from the village, contributing to a cleaner and more hygienic living environment.
2. Awareness Generation: The awareness campaign helped in sensitizing villagers about the importance of maintaining cleanliness and adopting responsible waste management practices.
3. Community Engagement: The active participation of villagers, along with NSS students, showcased a strong sense of community involvement and ownership in keeping their surroundings clean.
4. Educational Impact: The initiative provided students with practical experience in community service and instilled values of social responsibility and environmental stewardship.

**Conclusion:**

The cleanliness drive organized by NSS students in Sawalsur village exemplifies their commitment to promoting hygiene and community welfare. Through collaborative efforts and community engagement, the initiative not only improved the cleanliness of the village but also fostered a sense of civic responsibility among villagers. Such initiatives play a vital role in fostering sustainable development and creating cleaner, healthier communities.

### Anti-superstition programmes

#### Report on Anti-Superstition Programme Conducted Under NSS Camp

**Date: January 10, 2019**

#### **Introduction :**

An Anti-Superstition Programme was organized under the National Service Scheme (NSS) camp on January 10, 2019, to raise awareness and combat superstitions prevailing in society. The event was inaugurated by Mr. Kiran Lomte, faculty member of BSS College, Makni, who performed a puja ceremony in honor of Sant Ghadge Baba and Sant Tukdoji Maharaj, emphasizing rationality and critical thinking.

#### **Activities :**

1. Khanduci Shala by Mr. Khandu Suryawanshi: Mr. Khandu Suryawanshi from Omerga presented the "Khanduci Shala," a theatrical performance that depicted the harmful effects of superstitions on society. The play aimed to educate the audience on the importance of questioning and challenging irrational beliefs.

2. **Anti-Superstition Play by Omprakash Madansure :** Omprakash Madansure, a faculty member from Chatrapati Shahu College, Latur, presented a play focused on debunking common superstitions and promoting scientific thinking. The play highlighted the need to rely on evidence-based knowledge rather than superstitions.

#### **Outcome :**

The Anti-Superstition Programme succeeded in creating awareness among participants about the detrimental impact of superstitions on individual behavior and societal progress. Through the theatrical performances and discussions, attendees were encouraged to question traditional beliefs and adopt a rational approach towards life.

#### **Conclusion :**

The NSS camp's initiative to organize an Anti-Superstition Programme proved to be an effective platform for spreading awareness and fostering critical thinking among participants. By challenging superstitions and promoting scientific reasoning, the event contributed to the promotion of a more rational and enlightened society. Such initiatives are essential in combating regressive beliefs and advancing social progress.

### Blood donation

**Title : Blood Donation Camp by Shri Sharadchandraji Senior College Narangwadi**

**Date : 16th December 2019**

**Location : Narangwadi Village**

#### **Report :**

Shri Sharadchandraji Senior College in Narangwadi organized a successful blood donation camp on 16th December 2019, aimed at addressing the critical need for blood in medical emergencies. The event saw active participation from the college community and villagers alike, with 3 staff members, 8 students, and 11 villagers donating blood.

The camp, held in Narangwadi Village, provided a convenient location for donors to contribute to this life-saving cause. Through effective coordination and promotion, the event garnered substantial support from the local community.

The participation of both college members and villagers reflects the shared commitment to supporting healthcare initiatives and saving lives. This initiative not only helped meet the immediate demand for blood but also raised awareness about the importance of regular blood donation in sustaining healthcare services.

### Tree plantation

#### Report on World Ecology Day Celebration

On November 1, 2018, in observance of World Ecology Day, a tree planting event was organized at Ramlingeshwar School in Sawalsur. Dr. R.B. Gavhane, accompanied by students from Shri Sharadchandraji Pawar College, led the initiative to promote environmental conservation and sustainability.

The event commenced with a brief introduction by Dr. R.B. Gavhane, highlighting the significance of preserving ecological balance and the crucial role of trees in mitigating environmental degradation. Students actively participated in the tree planting activity, fostering a sense of responsibility towards nature.

Various native tree saplings were planted around the school premises, contributing to the greening of the environment and enhancing biodiversity. Students were educated on the importance of nurturing and caring for the planted trees to ensure their growth and longevity.

The event not only symbolized the commitment to environmental stewardship but also served as an opportunity to educate the younger generation about their role in protecting the planet for future generations. It reinforced the importance of collective action in addressing environmental challenges and promoting sustainable development.

The successful execution of the World Ecology Day celebration underscored the collaborative efforts of the college and the community in promoting environmental consciousness and fostering a culture of conservation. Such initiatives are crucial in instilling a sense of environmental responsibility and ensuring a sustainable future for all.

### **Beti bachao rally**

#### **Report on "Beti Bachao" (Save Girl Child) Rally**

On January 25, 2020, a "Beti Bachao" (Save Girl Child) rally was organized in Matola village, led by Mr. V.M. Jadhav, along with NSS students from Shri Sharadchandraji Pawar College. The rally aimed to raise awareness about the importance of gender equality and the need to protect and empower the girl child.

The rally commenced from a central location in the village, with participants carrying banners and placards with messages advocating for the rights and dignity of girls. Mr. V.M. Jadhav delivered a compelling speech, highlighting the societal challenges faced by girls and emphasizing the importance of providing equal opportunities for their education and development.

The villagers responded positively to the rally, with many joining in to show their support. They expressed their commitment to ending gender discrimination and ensuring the well-being of girls in the community. The rally concluded with a gathering where further discussions were held on strategies to promote gender equality and protect the rights of the girl child.

The "Beti Bachao" rally served as a powerful platform to mobilize community support and generate awareness about the importance of valuing and nurturing girl children. It underscored the collective responsibility of society in creating a more equitable and inclusive environment for girls to thrive and realize their full potential.

### Participatory rural appraisal

#### Report on Participatory Rural Appraisal (PRA) in Sawalsur Village

Date: September 3rd and 4th, 2019

##### Introduction :

A Participatory Rural Appraisal (PRA) was conducted in Sawalsur Village on September 3rd and 4th, 2019. The objective of the appraisal was to engage villagers in identifying their needs, concerns, and priorities for community development. Mr. Ajinkya Pawar, along with NSS students from Shri Sharadchandraji Pawar College, facilitated the participatory process.

##### Activities :

1. Village Mapping: Villagers participated in mapping exercises to identify key landmarks, resources, and infrastructure within the village.
2. Transect Walks: Transect walks were conducted to observe and assess different areas of the village, including agricultural land, water sources, and residential areas.
3. Seasonal Calendar: Villagers created a seasonal calendar to document agricultural activities, festivals, and other seasonal events.
4. Focus Group Discussions: Focus group discussions were organized to explore specific topics such as agriculture, education, health, and infrastructure.
5. Community Meetings: Community meetings were held to gather feedback and insights from villagers on their aspirations and challenges.

##### NSS Involvement :

NSS students played a crucial role in mobilizing villagers to participate in the appraisal activities. They engaged with the community, explained the purpose of the appraisal, and

encouraged active participation. Their involvement helped in ensuring a diverse representation of villagers and facilitated meaningful discussions.

**Outcomes :**

1. **Identification of Priorities** : Through the PRA process, villagers identified priorities for community development, including improvements in infrastructure, access to healthcare, and education.
2. **Enhanced Community Participation** : The appraisal fostered a sense of ownership and empowerment among villagers, leading to increased participation in decision-making processes.
3. **Informed Planning** : The insights gathered through the PRA process provided valuable information for local authorities and development agencies to inform planning and resource allocation.

**Conclusion :**

The Participatory Rural Appraisal conducted in Sawalsur Village was a collaborative effort involving villagers, Mr. Ajinkya Pawar, and NSS students. It served as a platform for inclusive community engagement, empowering villagers to voice their needs and aspirations for sustainable development. The outcomes of the appraisal will guide future interventions aimed at addressing the identified priorities and improving the overall well-being of the community.

#### Report on Tree Cultivation Activities

From January 10<sup>th</sup> to January 12<sup>th</sup>, 2019, Shri Sharadchandraji Pawar College organized a tree cultivation event in Matola village of omerga block, promoting environmental awareness and sustainability. Dr. Manoj Somwanshi inaugurated the event with an inspiring speech, emphasizing the importance of tree cultivation in combating climate change and preserving biodiversity.

Under the coordination of Mr. Pradeep Shinde, NSS Program Officer, students actively participated in various tree cultivation activities. They engaged in planting saplings, nurturing existing trees, and learning about the ecological significance of each species. Practical demonstrations on soil preparation, planting techniques, and tree care were conducted to ensure students gained hands-on experience and knowledge.

The event not only facilitated environmental conservation but also instilled a sense of responsibility and stewardship among the students towards nature. By actively participating in tree cultivation activities, students contributed to the greening of their surroundings and pledged to continue their efforts towards a sustainable future.

The collaborative efforts of students, faculty, and organizers resulted in a successful event that not only enhanced the green cover of the college campus but also fostered a deeper appreciation for nature among the participants.

### Lokshahi pandhrawad

#### Report :

Shri Sharadchandraji Pawar College in Narangwadi village organized a rally on January 27, 2020, to celebrate democracy. Led by Dr. Ramakant Gavhane, along with junior clerk Sandip Sangve, NSS students participated enthusiastically. The rally commenced from the Grampanchayat office Narangwadi east and traversed through the village streets, aiming to raise awareness about the importance of democracy and voting rights.

Students banner and raised slogans with messages advocating for active participation in the democratic process. They engaged with villagers, emphasizing the significance of exercising their voting rights in shaping the nation's future. The rally culminated with a gathering where speeches were delivered, highlighting the role of democracy in promoting equality, justice, and accountability.

The impact of the rally was profound, fostering a sense of civic responsibility among villagers and encouraging greater participation in democratic processes. It served as a reminder of the power of democracy and the collective responsibility to uphold it.

### Jal puanarbharan

#### Report on Shramdaan for Water Conservation by NSS Students

Date : January 8, 2020

#### Introduction :

On January 8, 2020, NSS students from Shri Sharadchandraji Pawar College, Narangwadi, organized a Shramdaan initiative for water conservation in Matola village. The aim of the initiative was to address water scarcity issues and promote sustainable water management practices in the village.

#### Activities:

1. Site Identification: Prior to the event, suitable locations for water conservation activities were identified in collaboration with local authorities and community members.
2. Digging of Rainwater Harvesting Pits: NSS students actively participated in digging rainwater harvesting pits to capture and store rainwater for future use. The pits were strategically located to maximize water collection efficiency.
3. Plantation Drive: In conjunction with the rainwater harvesting pits, a plantation drive was conducted to enhance groundwater recharge and prevent soil erosion. Native plant species known for their drought-resistant properties were selected for plantation.
4. Awareness Campaign: NSS students conducted an awareness campaign to educate villagers about the importance of water conservation and the benefits of rainwater harvesting. Information on simple water-saving techniques was also shared with the community.

#### Outcome :

1. Increased Water Availability: The construction of rainwater harvesting pits contributed to increased water availability in the village, especially during dry spells and summer months.

2. Improved Groundwater Recharge: The plantation drive and rainwater harvesting activities facilitated groundwater recharge, leading to the replenishment of aquifers and increased access to groundwater resources.
3. Community Empowerment: The initiative empowered villagers with knowledge and skills related to water conservation, fostering a sense of ownership and responsibility towards water resources.
4. Environmental Benefits: The plantation drive not only helped in water conservation but also provided additional environmental benefits such as soil stabilization, biodiversity conservation, and improved microclimate.

### Conclusion :

The Shramdaan initiative for water conservation by NSS students in Matola village exemplifies their commitment to community service and environmental stewardship. Through collaborative efforts and community engagement, the initiative not only addressed water scarcity issues but also promoted sustainable practices for the benefit of present and future generations. Such initiatives serve as catalysts for positive change and contribute towards building resilient and water-secure communities.

### Health checkup

Date: 14 January 2020

Venue : Narangwadi East, organized by Sharadchandraji Pawar College

A Health Checkup Camp was organized by Sharadchandraji Pawar College in Narangwadi East, with the aim of providing essential health services to the villagers. The camp offered various health checkups including blood pressure monitoring, blood group identification, blood sugar level testing, and eye checkups. Dr. Kotmalkar led the medical team and conducted the camp.

The event saw active participation from the local community, with 67 villagers benefitting from the health checkups. The camp was coordinated efficiently by Principal Dr. R.B. Gavhane, Dr. N.K. Kamble, and Senior Clerk Sandip Sangve, who ensured the smooth execution of the event.

The health checkup camp began with registration and triage, where villagers were assessed and directed to the appropriate stations based on their healthcare needs. At each station, trained medical staff conducted thorough examinations and provided necessary guidance and recommendations to the attendees.

Blood pressure checks were conducted to monitor cardiovascular health, while blood group identification ensured that villagers had essential information in case of emergencies. Blood sugar level testing was carried out to screen for diabetes, a prevalent health concern in many communities. Additionally, eye checkups were performed to assess vision and detect any underlying eye conditions.

The camp not only provided essential healthcare services but also raised awareness about the importance of regular health checkups and preventive healthcare practices. Attendees were educated about maintaining a healthy lifestyle, managing chronic conditions, and seeking timely medical attention when needed.

Overall, the Health Checkup Camp organized by Sharadchandraji Pawar College was a significant success, contributing to the well-being of the local community. The collaborative efforts of the organizing team, medical staff, and volunteers ensured that the camp ran smoothly and effectively, leaving a positive impact on the health and lives of the villagers in Narangwadi East.

### Janjagruti

#### Report on Janjagruti / Samaj Prabodhan Kirtan

Date: 7<sup>th</sup> January 2020

Venue : Matola Village, Organized by Sharadchandraji Pawar Senior College, Narangwadi

A Janjagruti / Samaj Prabodhan Kirtan was organized by Sharadchandraji Pawar Senior College, Narangwadi, featuring a discourse delivered by Sharad Maharaj from Jakekur. The event aimed to enlighten and uplift the villagers of Matola by imparting valuable values and teachings.

Sharad Maharaj captivated the audience with his insightful discourse, touching upon various aspects of life and spirituality. He emphasized the importance of honesty, integrity, and compassion in daily living, urging villagers to uphold these values in their interactions with others.

Through his teachings, Sharad Maharaj instilled a sense of unity and harmony among the villagers, encouraging them to work together for the betterment of their community. He emphasized the significance of mutual respect, understanding, and cooperation in fostering a peaceful and prosperous society.

The impact of Sharad Maharaj's discourse was profound, as villagers left the event feeling inspired and motivated to lead lives guided by moral and ethical principles. His words resonated deeply with the audience, leaving a lasting impression on their hearts and minds.

Overall, the Janjagruti / Samaj Prabodhan Kirtan organized by Sharadchandraji Pawar Senior College served as a beacon of enlightenment and empowerment for the villagers of Matola. Through the teachings of Sharad Maharaj, attendees gained valuable insights and perspectives that would guide them towards a path of righteousness and fulfillment.

### AIDS Day

**Title: AIDS Day Rally by Shri Sharadchandraji Pawar Senior College Students**

**Date : 1st December 2020**

Location: Naichakur Village, organized by NSS students with R. D. Gawad leading the rally.

#### **Report :**

On 1st December 2020, students of Shri Sharadchandraji Pawar Senior College in Narangwadi, led by NSS students under the guidance of R.D. Gawad, organized a rally to raise awareness about AIDS. The rally aimed to educate the community about the importance of HIV/AIDS prevention, testing, and destigmatization. With colorful banners and placards, the students marched through Naichakur Village, spreading crucial information and promoting acceptance and support for those affected by HIV/AIDS. The event fostered a sense of responsibility among the participants towards combating the spread of the disease and promoting a healthier community.

### Unnat Bharat Abhiyan

Report : Unnat Bharat Abhiyan at Shri Sharadchandraji Pawar Senior College, Narangwadi

Date: December 5 - December 20, 2020

Shri Sharadchandraji Pawar Senior College, Narangwadi, undertook the Unnat Bharat Abhiyan from December 5 to December 20, 2020, encompassing five villages: Narangwadi, Bori, Babalsur, Bhagatwadi, and Chirewadi of Omerga block. The primary objective was to collect comprehensive data pertaining to health and education schemes within these communities. Under the guidance of faculty members, students diligently gathered information on existing schemes and the prevailing health and education scenario in these villages. The collected data was meticulously compiled and submitted to the district administration for further analysis. This data will serve as a foundation for the district administration to plan and implement necessary interventions to address gaps and improve the overall well-being of the villagers. The Unnat Bharat Abhiyan proved to be an effective platform for students to actively engage in community development and contribute towards rural upliftment.

### Cleanliness of primary hospital, Naichakur

#### Cleanliness Drive at Primary Health Center Naichakur

Date : 16<sup>th</sup> February 2021

Venue : Primary Health Center, Naichakur

On National Caregivers Day, 16th February 2021, the staff and students of Sharadchandraji Pawar Senior College, along with faculty members including Dr. N.K. Kamble Sir, Junior Clerk Shri. Shivaji Patil, and Dr. V.T. Talkute, along with enthusiastic NSS students, organized a cleanliness drive at the Primary Health Center in Naichakur.

The initiative aimed to pay tribute to the dedicated health workers who tirelessly serve the community, especially during challenging times. It was also a gesture of gratitude and support towards the frontline healthcare workers who have been at the forefront of the battle against various health challenges, including the COVID-19 pandemic.

The cleanliness drive involved the cleaning and sanitization of the premises of the Primary Health Center. The team of volunteers, including college staff and students, worked diligently to ensure that the surroundings were spotless and hygienic. They cleaned the waiting areas, corridors, and outdoor spaces, removing litter and debris to create a clean and welcoming environment for patients and healthcare workers alike.

Additionally, the volunteers expressed their appreciation and support for the healthcare workers at the Primary Health Center, acknowledging their invaluable contributions to the well-being of the community. They offered words of encouragement and distributed tokens of appreciation as a gesture of gratitude for their selfless service.

The event served as a reminder of the importance of maintaining cleanliness and hygiene in healthcare settings, not only for the well-being of patients but also for the safety and morale of healthcare workers. It also highlighted the spirit of collaboration and community involvement in supporting and honoring the dedication and sacrifices of healthcare professionals.

Overall, the cleanliness drive at the Primary Health Center Naichakur was a meaningful tribute to healthcare workers and a demonstration of solidarity and appreciation from the college staff and students. It underscored the importance of collective efforts in promoting health, hygiene, and well-being in the community.

### **Bag and Jewelry Training in Narangwadi**

Date: October 27, 2021

A Bag and Jewelry Training workshop was conducted in Narangwadi village on October 27, 2021. The workshop aimed to empower local women with skills in bag and jewelry making, fostering entrepreneurship and self-reliance within the community. Smita Nagrale, an experienced trainer in the field, led the workshop, providing valuable guidance and instruction to the participants.

During the training, women were taught various techniques and designs for crafting bags and jewelry items using locally available materials. Practical sessions allowed participants to hone their skills and experiment with different styles. Emphasis was also placed on quality control and marketability of the products.

The workshop was attended by enthusiastic women from Narangwadi village who showed keen interest in learning the craft. By the end of the training, participants had acquired new skills and expressed confidence in utilizing them to generate income for themselves and their families.

The Bag and Jewelry Training workshop proved to be a successful initiative in empowering women through skill development and promoting economic sustainability in Narangwadi village.

### Tree plantation

#### **Title : "Greening Narangwadi : NSS Students Spearhead Tree Plantation Drive"**

On March 24, 2022, the NSS (National Service Scheme) students of Shri Sharadchandraji Pawar Senior College organized a commendable tree plantation event in Narangwadi village. With the aim of fostering environmental consciousness and contributing to the local ecosystem, 16 enthusiastic students actively participated in the initiative. Under the guidance of their mentors, they planted a variety of saplings, ranging from indigenous species to fruit-bearing trees, across designated areas in the village.

The event received a significant boost with the participation of Gramsevak Jagdish Jadhav, whose presence underscored the importance of community involvement in such endeavors. His support and encouragement further motivated the students, fostering a sense of responsibility towards the environment among the villagers.

This tree plantation initiative not only added greenery to Narangwadi but also served as a testament to the collective efforts towards environmental sustainability. It aimed to not just plant trees but to nurture a greener future for generations to come, fostering a harmonious relationship between humans and nature.

### **Animal health checkup**

On March 12, 2022, Shri Sharadchandraji Pawar Senior College in Narangwadi organized an animal health checkup camp, underscoring its commitment to promoting animal welfare in the community. Spearheaded by Mr. Sandip Sangve of the college, the event saw the participation of dedicated veterinary doctor Dr. Koli, who conducted thorough health checkups for various animals.

NSS (National Service Scheme) students volunteered enthusiastically, ensuring the smooth operation of the camp and assisting in facilitating the checkups. Their active involvement reflected a deep sense of compassion and responsibility towards the well-being of animals. Under the supervision of Mr. Sandip Sangve, the event was meticulously organized, with adequate provisions made to accommodate different types of animals and their owners. Dr. Koli's expertise and care ensured that each animal received personalized attention and appropriate medical advice.

### **Community Cleanliness Drive Narangwadi (East)**

On March 21, 2022, the NSS (National Service Scheme) students of Shri Sharadchandraji Pawar Senior College in Narangwadi, East Narangwadi, organized a commendable cleanliness drive in collaboration with the local Gram Panchayat. The event aimed to promote cleanliness and hygiene while fostering a sense of civic responsibility among the residents.

Armed with brooms, gloves, and determination, the enthusiastic students set out to clean various areas within the village. Under the guidance of their mentor Mr.P.M.Shinde, they tackled littered streets, public spaces, and neglected corners, working tirelessly to restore cleanliness and order.

The participation of the Gram Panchayat provided crucial support and infrastructure for the endeavor, facilitating waste disposal and coordinating logistics. This collaborative effort highlighted the importance of community engagement in maintaining a clean and healthy environment.

Throughout the day, the NSS students engaged with villagers, raising awareness about the significance of cleanliness and the detrimental effects of littering. Their proactive approach inspired many residents to join in the initiative, fostering a sense of unity and shared responsibility.

By the end of the cleanliness drive, significant progress was made in enhancing the overall sanitation of Narangwadi. The event not only left a tangible impact on the village but also served as a testament to the power of collective action in promoting positive change.

## **AIDS Awareness rally**

Spreading Awareness: AIDS Rally in Babalsur

On December 1, 2022, a significant AIDS awareness rally took place in Babalsur, led by the esteemed V.D. Pawar sir and Dr. N.K. Kamble. The event was a crucial step in educating the community about the importance of HIV/AIDS prevention and destigmatizing the disease.

The rally commenced with an impactful speech by V.D. Pawar sir, emphasizing the need for proactive measures to combat the spread of HIV/AIDS. His words resonated with the participants, comprising locals, students, and healthcare professionals, instilling a sense of urgency and responsibility.

Dr. N.K. Kamble, enriched the rally, empowering attendees with accurate information and dispelling myths surrounding the disease.

The rally traversed through the streets of Babalsur, attracting the attention of bystanders. Volunteers engaged with the community, distributing educational materials and facilitating open discussions to address concerns and misconceptions.

The event culminated with a pledge-taking ceremony, wherein participants vowed to prioritize safe practices and promote inclusivity and support for those affected by HIV/AIDS. The rally served as a poignant reminder of the collective responsibility to create a compassionate and informed society, free from the stigma associated with HIV/AIDS.

### Sexual assault day

#### Combating Sexual Harassment : Day of Action in Narangawadi West

On April 4, 2023, Narangwadi West witnessed a proactive stance against sexual harassment, led by Principal Dr. Ramakant Gavhane and Damawle sir of the college. The event facilitated an open dialogue where Self-Help Group (SHG) women, including Mrs. Anausaya Garud, shared invaluable insights and experiences. Savita Mugale, a prominent figure, also contributed to the discourse. Their collective voices emphasized the urgency of addressing sexual harassment and fostering a safer community. Through shared experiences and collaborative efforts, the event aimed to raise awareness and implement measures to combat sexual harassment effectively.

### Cleanliness drive

On January 23, 2023, the NSS (National Service Scheme) students of Shri Sharadchandraji Pawar College initiated a remarkable cleanliness drive in Narangwadi (Wadi). The event aimed to instill a sense of responsibility towards the environment and promote cleanliness within the community.

Armed with brooms, gloves, and determination, the students ventured into various parts of Narangwadi, targeting areas prone to litter and waste accumulation. Under the guidance of their mentors, they diligently worked to clear garbage, sweep streets, and tidy public spaces.

The participation of NSS students garnered attention and inspired many residents to join in the effort. Together, they cleaned streets, parks, and communal areas, fostering a cleaner and healthier environment for all.

The impact of the cleanliness drive extended beyond physical cleanliness; it also encouraged a sense of community pride and unity. Through their actions, the NSS students demonstrated the importance of collective responsibility in maintaining a clean and hygienic living environment.

### Voters Day

**Report : Voters' Day Celebration - January 25, 2023**

Date : January 25, 2023

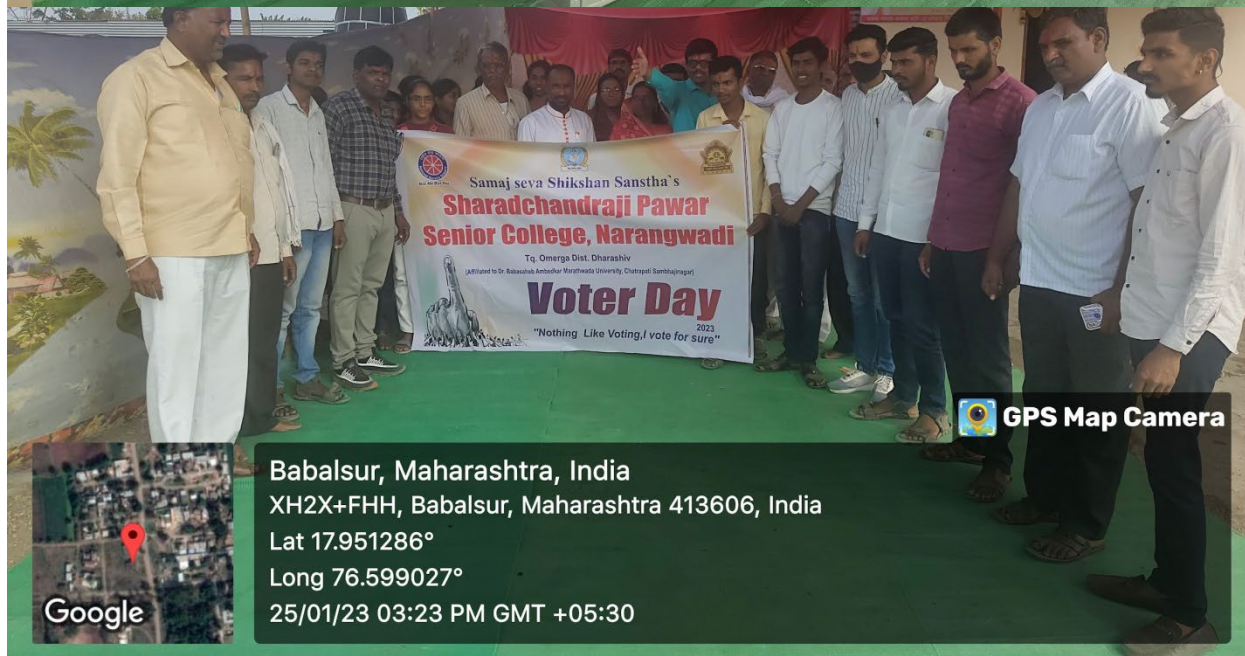

Voters' Day was celebrated on January 25, 2023, organized by the NSS students of Shri Sharadchandraji Pawar College, under the guidance of Upsarpanch Jaya Tayatarao Mashal, Pratap Patil, Chanbas Birajdar, and Shivaji Ingle. The event aimed to raise awareness about the importance of voting and civic participation among the students and the community. A workshop was conducted to educate attendees about their rights and responsibilities as voters, emphasizing the role of democracy in shaping the nation's future. Various interactive sessions and activities were held to engage participants and promote active citizenship. The event concluded with a pledge to exercise the right to vote responsibly in upcoming elections. It was a successful initiative in fostering democratic values and civic engagement among the youth.

## **Paper Bag Training for Women in Bori Village**

Date: August 12 - August 15, 2022

Venue - Mahila Vikas kendra, Bori

Shri Sharadchandraji Pawar Senior College, in collaboration with Navjyot Mahila Vikas Sanstha, organized a Paper Bag Training program for women in Bori village from August 12 to August 15, 2022. Thirteen women from the village actively participated in the training sessions. Smita Mahajan, a representative from Navjyot Mahila Vikas Sanstha, facilitated the training, providing expertise and guidance to the participants.

During the training, women were taught the art of making eco-friendly paper bags. They were trained on various techniques, including cutting, folding, and pasting, to create aesthetically pleasing and durable paper bags. Additionally, the training emphasized the importance of environmental conservation and the role of using sustainable alternatives to plastic bags.

By the end of the program, all thirteen women had acquired new skills in paper bag making, enabling them to generate income and contribute to their households' finances. The initiative not only empowered the women economically but also promoted environmental sustainability within the community.
