

IQAC Meeting

- Date: 8 August 2022
- Time: 4:30 PM
- Location: Shri Sharadchandraji Pawar Senior College, Narangwadi

Agenda Items:

- Recruitment of Qualified Faculty: Discuss strategies to attract and hire qualified faculty members.
- Classroom Expansion: Review plans to add 13 classrooms.

- Faculty Development Programs: Outline the implementation of programs for continuous professional growth.
- Curriculum Review: Discuss the proposal to update curriculum to meet industry standards.
- Student Support Services: Explore ways to enhance counseling and career guidance services.
- Infrastructure Maintenance: Address the maintenance of existing infrastructure for optimal learning environments.
- Research and Innovation: Plan initiatives to foster research and innovation, including grants and collaborations.
- Request Budget Allocation: Allocate funds for academic and infrastructural initiatives effectively.

Meeting :

1. Recruitment of Qualified Faculty: The committee discussed the imperative need to recruit qualified faculty members to enhance the academic quality of the institution.
2. Classroom Expansion: It was suggested to augment the infrastructure by adding 13 classrooms, supplementing the existing 10 fabricated buildings to accommodate the growing student population effectively.
3. Faculty Development Programs: Implementation of faculty development programs to ensure continuous professional growth and academic excellence was emphasized.
4. Curriculum Review: There was a proposal to review and update the curriculum to align with industry standards and modern educational practices.
5. Student Support Services: The need to enhance student support services, including counseling and career guidance, was deliberated upon.
6. Infrastructure Maintenance: Discussion on the maintenance and upkeep of existing infrastructure to ensure a conducive learning environment for students and faculty.
7. Research and Innovation: Initiatives to promote research and innovation among faculty and students were considered, including setting up research grants and collaborations.

8. Budget Allocation: Allocation of funds for various academic and infrastructural initiatives was discussed to ensure effective implementation.

IQAC Meeting

- Date: 11 January 2023
- Time: 5:00 PM
- Location: Narangwadi

Agenda of Meeting:

- Library Automation: Discuss plans to automate the library for improved accessibility and resource management.
- Energy Efficiency Measures: Outline strategies for implementing energy-efficient practices campus-wide.
- Infrastructure Upgradation: Review the proposal to procure benches for enhanced seating arrangements.
- Digital Learning Resources: Explore options for integrating digital resources into teaching methodologies.
- Student Feedback Mechanism: Develop a comprehensive system for collecting and analyzing student feedback.
- Community Engagement: Brainstorm initiatives for community outreach and partnerships.
- Alumni Registration :Strengthen ties with alumni through networking and mentorship programs.

Meeting 2:

1. Library Automation: The committee discussed plans for the automation of the library to enhance accessibility and efficiency in resource management.
2. Energy Efficiency Measures: Implementation of energy-efficient appliances and practices across campus to reduce carbon footprint and operational costs.
3. Infrastructure Upgradation: Proposal to procure 50 benches to provide adequate seating arrangements for students in common areas and outdoor spaces.

4. Digital Learning Resources: Exploration of digital learning resources and platforms to supplement traditional teaching methods and promote interactive learning.
5. Student Feedback Mechanism: Development of a robust system for collecting and analyzing student feedback to improve teaching quality and student satisfaction.
6. Community Engagement: Initiatives to engage with the local community through outreach programs, social initiatives, and partnerships for mutual benefit.
7. Alumni Relations: Strengthening ties with alumni through networking events, mentorship programs, and contributions to institutional development.
8. Quality Assurance: Continual review and enhancement of quality assurance mechanisms to uphold academic standards and accreditation requirements.

Action Taken from Previous Meeting:

- Library automation project initiated with a timeline for implementation.
- Energy audit conducted to identify areas for improvement in energy efficiency.
- Procurement process for benches initiated with vendor selection underway.

IQAC Meeting

- Date: 2 March 2023
- Time: 5:00 PM
- Location: Narangwadi

Agenda of Meeting:

- Subscription to E-Journals: Discuss procurement of e-journal subscriptions for academic resources.
- Faculty Skill Enhancement: Encourage non-qualified faculty to pursue further education for professional development.
- Library Facilities Enhancement: Review plans to furnish library facilities for optimal studying and research.
- Community Outreach: Explore initiatives to strengthen community ties through workshops and seminars.
- Industry Collaboration: Establish MOUs with local industries for student training opportunities.
- Curriculum Diversification: Introduce food processing courses to meet industry demands.
- Infrastructure Maintenance: Discuss plans for regular infrastructure maintenance and upgrades

Meeting :

1. Subscription to E-Journals: Subscription to e-journals and digital databases to provide students and faculty with access to the latest research and academic resources.
2. Faculty Skill Enhancement: Encouragement and support for non-qualified teachers to pursue further education and certification programs such as SET/NET/PhD for professional development.
3. Library Facilities Enhancement: Provision of furnished facilities in the library to create a conducive environment for studying and research.

4. Community Outreach: Strengthening ties with the community through initiatives such as workshops, seminars, and collaborative projects.
5. Industry Collaboration: Establishment of MOUs with local industries for field exposure and practical training opportunities for students.
6. Curriculum Diversification: Introduction of courses related to food processing sourced from various platforms offering certificate programs to meet industry demands.
7. Student Support Services: Expansion of student support services, including academic advising, mentoring, and career counseling.
8. Infrastructure Maintenance: Regular maintenance and upgradation of infrastructure facilities to ensure a safe and conducive learning environment.

Action Taken from Previous Meeting:

- Subscription to e-journals and English newspapers initiated.
- Guidance and support provided to non-qualified teachers for enrolling in certification programs.
- Collaboration established with milk processing and sugarcane processing industries for industry exposure.

IQAC Meeting

- Date: 14 July 2023
- Time: 10 AM
- Location: Narangwadi

Agenda of Meeting:

- Residential NSS Camps: Plan three-day camps to foster community service and leadership skills.
- Equipment Upgradation: Discuss continued use of energy-efficient technologies campus-wide.
- Audio-Visual Facilities: Procure projectors and sheets for interactive learning.
- Accreditation Process: Initiate NAAC accreditation requirements.
- Student Welfare Programs: Implement holistic student development initiatives.
- Staff Training: Conduct technology training for faculty and staff.
- Research Grants: Allocate funds for interdisciplinary research projects.

Meeting :

1. Residential NSS Camps: Planning for residential NSS camps to enhance community service and leadership skills among students over a three-day period.
2. Equipment Upgradation: Continued efforts towards the use of energy-efficient equipment and technologies across campus to minimize environmental impact and reduce operational costs.
3. Audio-Visual Facilities: Procurement of three projectors and projector sheets to facilitate interactive learning and multimedia presentations in classrooms.
4. Accreditation Process: Initiatives to fulfill requirements for NAAC accreditation to ensure quality assurance and institutional recognition.
5. Student Welfare Programs: Implementation of welfare programs to address the holistic development and well-being of students, including health camps, counseling services, and extracurricular activities.
6. Staff Training: Training sessions for faculty and staff on the effective use of technology in teaching and administrative tasks.
7. Research Grants: Allocation of funds for research grants to encourage faculty and student research projects across disciplines.

8. Community Engagement: Collaboration with local authorities and organizations for community development projects and social initiatives.

Action Taken from Previous Meeting:

- Procurement process for projectors and projector sheets completed.
- Preliminary discussions held with accreditation authorities to initiate the accreditation process.
- Planning underway for residential NSS camps with logistical arrangements being made.
